All our dog carriers and dog pens are manufactured in the UK and are of superior quality. All cages feature a high quality electro plated finish, to ISO9002 standards, which ensures rust resistance and ease of cleaning, all springs are protected and hinges are passive.

The 'fold flat' design of the dog carrier makes it extremely easy to assemble and means you can instantly fold the cage for storage, without the use of tools. All folding carriers are fitted with a convenient carry handle.

### KEY FEATURES

- Every panel is purpose built, the optimum size mesh is fully rimmed and hand finished so that there are no rough edges
- Exclusive positive spring-loaded locking clips for doors and ends
- High-density polyethylene (HDPE) tray, formed for maximum rigidity, splinter proof and easily cleaned
- Simply erected, no distortion or strain involved
- Product label includes an individual number for every crate ensuring complete traceability
- Nothing to chew – all parts are protected
