

Poultry Housing

The perfect solution for Hens, Ducks and Geese, our poultry housing is also highly attractive and will complement your garden.

We have developed a superb range of very high quality poultry housing that looks great in your garden and has many features to aid the continuing wellbeing of your hens, ducks and geese, providing them with a robust shelter throughout the seasons.

The Sebright - Fox free housing for 4-6 birds, ideal for up to 6 bantams or someone who wishes to keep 4 laying hens

The Phoenix - Fox free housing for 6-8 birds, great for all laying hens or fancy fowl

The Orpington - Superb quality mobile housing for 10-16 free range or fenced hens, ducks and geese

The Orpington provides mobile housing for your fowl!
